*Office Administrator*

Calvary Community Care is a two-prong mission at Calvary United Methodist Church in Mount Airy, Maryland. We started operations in the Spring of 2023 by collecting diapers, wipes, and board books, as well as supplies for UMCOR Feminine Hygiene Kits.

The Calvary UMC congregation assembled over 100 UMCOR Hygiene Kits as a service project. Calvary also received donations of 150 assembled Feminine Hygiene Kits from two other churches and materials toward Kits from a third. All of the assembled Kits have been transported to Mission Central for distribution. We plan to collect additional supplies and have another date for the congregation to assemble Kits in early 2024.

The Diaper Bank has distributed diapers once a month beginning in June 2023. We have an amazing group of volunteers who meet as the Executive Team, as well as many others who have assisted in preparing the space to store and wrap the diaper donations, building shelves, and distributing them each month. Twenty-two different individuals have participated in this project, donating over 150 hours in 2023.

Over the seven distribution dates, we have served 59 different households, distributed 324 packages of diapers/pullups, 157 packages of wipes, and many board books.

Executive Team Chair, Megan McCulley
